# 4. Versatile Original Programs

With cooperation from parents/guardians, university specialists, and student volunteers, a variety of childcare programs are offered that will stimulate children's intellectual curiosity and desire to learn.

**Creation**

It's exciting to be creative!  
Children are provided with challenging tasks (art, design, handicraft) that will lead them to think and wonder "why?"

**Dreaming/Collaborating**

It's fun to work with friends!  
Children learn how to collaborate as a team while having fun with adults and peers.

**Body**

Actively participate in sports!  
Children learn about rules of group sports while building up basic skills/strengths, such as torso strength and flexibility.

**Science**

Gain hands-on scientific experience!  
Through scientific experiences using familiar materials, children develop their imaginations and inquiring minds.

# Pick-up Services

## ① Pick-up at children's schools

Pick-up services for regular members are available, for an extra charge, at neighboring elementary schools specified by Poppins After-School. Children may be picked up by a large-, medium-, or small-sized vehicle (depending on the number of children) arranged by our partner taxi company (a member of the National Childcare Taxi Association).
